M Gives Back Day ■

M Offices Closed Monday, October 9, Columbus Day

Supporting our communities is important to your M. This year on Columbus Day your M offices will be closed for our second annual M Gives Back Day. On Monday, October 9, your M team will spend the day at IM Kids Third Meal. This is an amazing organization that provides a "third" meal for children in Ionia and Montcalm Counties. M team members will prepare these well-balanced, ready-to-eat evening meals, which are then delivered to schools and distributed to students before they are dismissed from school for the day.

We Value Your Feedback

As a credit union member, you are an owner of M1. Your M1 team works hard to assure we are offering you the products and services you need with an exceedingly high and always increasing level of member service. We would love for you to take just three short minutes to complete our online member survey. We look at your answers closely to help us assure our service to you is second to none.

To take the survey, visit our web site at M1ccu.org and access the survey from our homepage. At the end of the survey you'll have an opportunity to enter into a drawing for a free Fitbit Charge! **The survey will close on October 15, 2017.** Thank you for your participation!

We value your feedback, not only through our online member surveys, but every day! Your dedicated M1 team is always here and willing to listen to your feedback and ideas. As a member-owned credit union, that is what makes us the very best!
