

Set Up Direct Deposits and Automatic Payments Using your **M1** Account

If you have checks at Michigan One, finding what you need is quite easy. Simply look at a check in your checkbook and using the image below, locate the M1 Routing and Account Number (numbers on image below are just examples - these are not M1 routing and account numbers). Enter this information, or provide it to your employer. With your authorization it should be all they need to set up your deposits or payments.

If you do not have M1 checks, please contact us so we can provide you with an accurate account number. Since at M1 your account number is more than just your membership number, we ask that you contact us to receive the full number.
