## Message from Your CEO

### M Announces CEO Transition

M's Board of Directors is pleased to announce the selection of Hailie Patterson as M's new CEO, replacing retiring CEO, Tim Hemenway, effective October 1, 2022.

Hemenway was hired in 1991 as CEO of M. Hemenway said, "I grew up in Stanton, Michigan, but my wife Jane and I raised our family in Ionia. We call Ionia home." Hemenway's tenure has seen tremendous growth in credit union popularity and use by consumers, and lots of changes in how M members access their account through technology. M is now considered the leading financial institution in Ionia, Montcalm, and Gratiot counties. After his retirement, Hemenway plans to remain in the Ionia area, where he will continue to actively serve the community through various organizations, spend time with his family and go fishing... a lot!

The M Board of Directors began their thoughtful CEO succession planning process nearly 7 years ago. In 2018, Patterson completed the 3 1/2 yearlong M CEO Readiness Training. On July 27, 2022, the M Board of Directors unanimously voted to place Patterson at the helm.

Patterson has over 15 years of financial industry experience and has spent the last 10 years with M, serving as the Chief Operating Officer since 2017. Patterson has a Bachelor of Business Administration from Davenport University and is a graduate of the Southeast Credit Union Nation Association Management School. Patterson is a lifelong Ionia resident and has served in the community all her life. "I am proud and honored to lead M into the future," Patterson said. "We have an amazing team of people that care about the work they do and make a positive impact on our members' lives. With an outstanding team and a supportive and engaged board, I am looking forward to building on M's foundation of financial strength and exceptional member service, and leading M to continued success and growth."

Michigan One Community Credit Union is a non-profit, financial cooperative owned equally by every one of its members. Established in Ionia in 1954, M provides full-service banking products and services to all people who live in Michigan. All deposits at Michigan One Community Credit Union are government insured by the NCUA. All M board officers and elected officials serve as volunteers. Democratically elected by their fellow member/owners, M elected officials are never paid or compensated in any way.

## Thank You!

### A message from Retiring CEO, Tim Hemenway

Thank you all for doing so much to make **M1** so very successful. On October 1, 2022, I will officially retire, and Hailie Patterson will be your new **M1** CEO. Please know Hailie is an upgrade!

The amazing opportunity to serve and serve with many-many wonderful people during my 31-year career at **M1**, has truly been a blessing to me. They include staff, volunteers, members, and community.

I have always considered all of you as "my people" and "the purpose of my work."

For starters, I offer a special thank you to my family and friends. My family has always been supportive of my work at **M1**; especially my wife Jane. I know I bored her to tears enumerable times yammering on about what I thought were cool and exciting things happening at **M1**. Jane, you're the best!

Thank you to my staff. Over the years, I have been blessed with working alongside many gifted and talented people. They trusted me, they made me better than I was, and they always laughed at my jokes. (Some days these things even came easy for them!)

Thank you to my volunteers. **M1** volunteers serve on the board of directors and committees as a way to give back to their communities. Over my career I was blessed with the opportunity to work with dozens of different **M1** volunteers, with many of whom I developed a lasting and special bond. They always listened and cheered me on (i.e. they were very-patient).

Thank you to my **M1** members. They used **M1** and entrusted their financial affairs to their credit union, its staff, and to me. I have always considered it a privilege and honor to serve you. Serving you made my work fulfilling.

Thank you to my communities. I have served in every community that **M1** does business in, and it held some of the greatest rewards of my career. That reward came in the form of kinships with those whom I served alongside. Some of you are now my best friends. Here, I also thank the many people within the credit union movement both at the state and national level with whom I served.

Thank you all again for a great 31-year ride. **M1** will continue to be a great place to be. While I consider my work at **M1** a success, I owe my career to others. All who know me know I have never had an original thought of my own, but only the good sense to surround myself with the brilliance of others by "standing on the shoulders of giants."

Cheers!

Timothy P. Hemenway
